Der Stratus 8 - Up into the Stratusphere

Do you want to get right to the top? Are you looking for a level of performance which is outside the norm? Do you love a challenge? Then get ready for the Stratus 8 and experience top performance in perfection.

Go beyond the limits, experience what is seemingly impossible and be part of the re-definition of high-performance.

Contact us for a test flight and prepared yourself to be wowed by:

- * an aspect ratio of 7.4 with EN-D certification
- * outstanding glide
- * unbeatable ascent behaviour
- * a classy high-performer look
- * easy launch behaviour despite the high aspect ratio
- * good bite into thermals
- * smooth handling
- * equilibrium and directional stability
- * smaller pack size and canopy weight
