

PURE ACRO

# TRINITY RS

ACRO FOR COMPETITION AND FREESTYLE

# TRINITY RS

SWING proudly presents the brand-new TRINITY RS acro. Precise, dynamic and easy to control - for professional acro pilots and with less wing load also as freestyle wing. All actual acro manoeuvres can be flown easily - it es even Infinity tested. TRINITY's fluid dynamics and elegance make especially all connection manoeuvres a pleasure to fly.

TRINITY features RAST - SWING's new system for different air pressure chambers in the canopy - which suits perfect to acro gliders.

Available in sizes 18 - 20 - 23 from October 2016 on. With less wing load also with LTF/EN homologation.
